## HOW TO FILL OUT YOUR MEDICARE FORM

### There are two ways that Medicare can help pay your doctor bills

**One way is for Medicare to pay your doctor.**—If you and your doctor agree, Medicare will pay him directly. This is the assignment method. You do not submit any claim; the doctor does. All you do is fill out Part I of this form and leave it with your doctor. Under this method the doctor agrees to accept the charge determination of the Medicare carrier as the full charge; you are responsible for the deductible and coinsurance. Please read Your Medicare Handbook to help you understand about the deductible and coinsurance. (Because Medicare has special payment arrangements with group practice prepayment plans these plans handle all claims for covered services they furnish to their members.)

**The other way is for Medicare to pay you.**—Medicare can also pay you directly—before or after you have paid your doctor. If you

submit the claim yourself, fill out Part I and ask your doctor to fill out Part II. If you have an itemized bill from him, you may submit it rather than have him complete Part II. (This form, with Part I completed by you, may be used to send in several itemized bills from different doctors and suppliers.) Bills should show who furnished the services, the patient's name and number, dates of services, where the services were furnished, a description of the services, and charges for each separate service. It is helpful if the diagnosis is also shown. Then mail itemized bills and this form to the address shown in the upper left-hand corner. If no address is shown there, use the address listed in Your Medicare Handbook—or get advice from any social security office.

### SOME THINGS TO NOTE IN FILLING OUT PART I (Your doctor will fill out Part II.)

- 1 & 2** Copy the name and number and indicate your sex exactly as shown on your health insurance card. Include the letters at the end of the number.
- 3** Enter your mailing address and telephone number, if any.
- 4** Describe your illness or injury. Be sure to check one of the two boxes.
- 5** If you have other health insurance or expect a welfare agency to pay part of the expenses, complete item 5.
- 6** Be sure to sign your name. If you cannot write your name, sign by mark (X), and have a witness sign his name and enter his address on this line.

If the claim is filed for the patient by another person he should enter the patient's name and write "By," sign his own name and address in this space, show his relationship to the patient, and why the patient cannot sign. (If the patient has died, the survivor should contact any social security office for information on what to do.)

### IMPORTANT NOTES FOR PHYSICIANS AND SUPPLIERS

**Item 12:** In assigned cases the patient is responsible only for the deductible, coinsurance, and non-covered services. Coinsurance and the deductible are based upon the charge determination of the carrier if this is less than the charge submitted. This form may also be used by a supplier, or by the patient to claim reimbursement for charges by a supplier for services such as the use of an ambulance or medical appliances.

If the physician or supplier does not want Part II information released to the organization named in item 5, he should write "No further release" in item 7C following the description of services.
